

Why not join

in cherry blossom season

The Authentic Japan tour!!

Meet the loco people and be the loco person

13th Apr — 18th Apr 2019

What is your best part of traveling?

Good food, great landscape, how about interaction with local people?

Planned by three experts, a mountain guide with historical knowledge, ultimate guide & photographer and traditional Japanese food specialist, this tour will give you an amazing experience as never before. From the beginning at Osaka to the end at Sado, even in urban areas or in the countryside, we offer the best "OMOTENASHI" - hospitality through various activities and experiences.

Transportation is another fun of traveling.

You will get on Express train running along Sea of Japan, Hokuriku bullet train, and a ferry boat.

It is spring, the season of cherry blossom.

As moving to the north, you can enjoy the blooming all the way.

Why not create unforgettable memories with us?
